Re: Missouri Alliance for Freedom Sunshine Request Rolling Production

Dear Mr. Greim:

Our office was in the process of reviewing the remainder of Missouri Alliance for Freedom's (MAF) pending sunshine law requests. However, on November 16, 2017, we received a new sunshine law request from MAF with 13 new requests for documentation. As part of that request, MAF specifically stated, "Please process this request first, ahead of any prior MAF request." As a result, we will complete our review of all pending MAF requests after completion of the November 16, 2017, request. I have attached the letter to MAF providing them with this information.

Sincerely,

A handwritten signature in blue ink that reads "Paul Harper".

Our office also notified you that we were in the process of reviewing the remainder of your request and would provide you with an update of the status of your request every 30 days because it is requiring the review of thousands of pages.
