Re: Missouri Sunshine Law

Dear Ms. Ansley:

On September 27, 2017, our office provided responsive documents to your request for records of communications that the State Auditor had sent or received while serving as Auditor. As stated in our letter, responsive documents during those dates were closed under sections 29.070, 29.200.17, 29.221, 610.021(13), 610.021(14), 610.021(17), and 610.021(21), RSMo, and 17 U.S.C.A. Section 102. Responsive documents were also closed under Section 610.021(1), RSMo, which was inadvertently not included.

If you have any questions, please call me at barbara.wood@auditor.mo.gov or at 573-751-4268.

Sincerely,

A handwritten signature in blue ink, appearing to read "Barbara Wood".
