Case No. 17AC-CC00365

ORDER

On August 25, 2017, Defendant filed its Motion to Dismiss or, Alternatively, Motion for a Protective Order. Defendant called this motion up for hearing on September 1, 2017. The parties advise that it is their intention to cancel this hearing and instead to obtain a special setting at the earliest available date for hearing solely on Defendant's Motion for a Protective Order. Pursuant to stipulation of the parties, the Court orders that the discovery propounded by the parties shall not be due until after this Court enters an Order on Defendant's Motion for a Protective Order filed August 25, 2017. No further discovery will be propounded by either party until after such Order. Unless this Court otherwise provides, the time for answering discovery will be tolled upon entry of this Order and until the tenth (10th) business day after entry of this Court's Order on Defendant's Motion for Protective Order, on which date the time for responding to currently-propounded discovery will again commence to run.
